**F**or more than 20 years, guests of The Red Horse Inn in Landrum, SC have all said the same thing: there is something magical about the Inn. Romance is just in the air. Perhaps it's the mountain air that engulfs the Inn. Surrounded by the Blue Ridge Mountains, everywhere you look is the perfect view.

With rooms starting at just \$175 per night, the Red Horse Inn is a perfect "escape" for couples. Guests can go on day-excursions in the near-by mountains- with wineries and trails full of more than 50 waterfalls, covered bridges, golf courses, antiques and more just miles away- or they can choose to do nothing but relax in a rocking chair and enjoy the quiet serenity and magnificent panoramic mountain views.
